SEE AMAZING FEATS FROM RINGSIDE SEATS

The New Cole Bros. Circus, "Thrills From Brazil" transports you on an exciting, up close and personal adventure underscored by the rhythms of Rio to a world of wonder where seemingly impossible feats of skill and daring take place just a few feet away from your seats.

Under the direction of trainer Cheryl Haddad, Pure White, Golden Tabby and Royal Bengal Tigers perform in Center Ring of the World's Largest Circus Under The Big Top. High wire daredevils Gulyverd and Garcia traverse the treacherous tight wire at the top of the tent, executing awesome aerobatics destined to leave audiences gasping in wonder. Winners of the prestigious Golden Clown Award at the 2004 International Circus Festival in Monte Carlo, The Neves Flyers bring to Cole Bros. a stunning array of aerial maneuvers, including two triple somersaults, a feat no other flying act in the world can match.

Equine and canine lovers will enjoy The Kim Family Jugglers on Horseback and Valeriy Tsoraev & Co.'s Poodles on Parade. The Bermudez Triangle Clowns promise to make troubles disappear. Cole Bros. Circus special guest star, *Supercat*, the high-diving sensation seen in the movie "Big Fish," returns to the circus by popular demand.

Catapult sensations The Romeiros, Russian Cloudswing Artists Sasha and Roma, Aerial Prima Ballerina Monica and the long-legged Cole Bros. Chorus Line make sensational appearances in the show that always ends with a bang, as The Human Cannonball explodes across the arena. Performed by a cast from four continents, the extravaganza "Thrills From Brazil" guarantees unbeatable three-ring entertainment for the whole family.
